

ABOUT THE SEMINAR

The ONE day National Seminar entitled “Fostering and Supporting Women in Research and development: Challenges and Prospects (FSWRDCP-2020)” organized by the Women Empowerment Cell of Government Degree College, Tadipatri. It will definitely be a platform to researchers, academicians and industry professionals to share and exchange strategies, real world issues, explore creative avenues of expressions and make consequential decisions for upliftment of women in research contribution and evolving technologies. It also recognizes the gender barriers of research and creative methods to overcome these barriers. Various kinds of women researchers clarify purpose of research and role in development of economy of the country. It finally helps in designing a professional and career plan.
